FINANCIAL AGREEMENT

DENTAL INSURANCE As a courtesy, we will be happy to help you file your insurance claims. You must provide us with all the information necessary to verify your child's eligibility and to file your claim. **Remember your insurance policy is an agreement between you and the insurance company.** *Our practice is not a part to that agreement*. Though we may estimate your insurance benefits, we are not responsible for its accuracy. Knowledge of benefits, as well as benefit amounts, limitations, exclusions, waiting periods, etc. is ***your*** responsibility. Receiving our services indicates acceptance of responsibility to pay regardless of our estimate. All charges not paid by your insurance company are your responsibility regardless of the reason for nonpayment. Not all services we provide are covered benefits. Benefits *differ* from one insurance company to another. Fees for non-covered services, including deductibles and copayments, are due at the time of service. We can file a pre-determination for recommended treatment. We strongly suggest that you contact your insurance company with any questions you may have. Again, we will help file your insurance as a courtesy to you.

PAYMENT We accept cash, check, Visa, MasterCard, Discover, and American Express. By law your insurance company is required to pay each claim within 30 days. After dental insurance has paid its portion, a statement for the remaining balance will be sent to your mailing address on record. *If payment is not made upon receipt of our statement,* ***we will no longer file your insurance and expect payment in full at the next time of service.*** If we have not received payment from your insurance company 60 days after services are rendered, you will be responsible for the full account balance.

MONTHLY STATEMENT If you have a balance on your account, we will send you a monthly statement. It will show the previous balance, any new charges to the account, and any payments or credits applied to your account during the month. Professional fees are the responsibility of the parent or guardian authorizing treatment; **we cannot send statements to other persons.**

MINOR PATIENTS The parent or guardian accompanying the minor is responsible for the full payment. In the case of *divorced* or *separated* parents, the parent accompanying the child is responsible for payment. This office will not attempt to collect payment from a parent that is not present in the office at that visit. If the divorce decree requires the other parents to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.

I HAVE READ AND ACCEPT THE TERMS AND CONDITIONS OF THIS FINANCIAL AGREEMENT.

CONSENT FOR DENTAL TREATMENT

Patient _____

1. I request and authorize Drs. Hamlin and Morgan and staff to perform or assist in the performance of the following but not necessarily limited to:

    - Cleanings, X-rays, Fluoride treatments
    - Sealants

2. The purpose of the above is to maintain dental health and we anticipate that result. No guarantees or assurances can be made as to the results that may be obtained.

3. Bleeding, swelling, discomfort and bruising can occur after any dental procedure. The risk of not completing necessary dental treatment can result in abscess, infection, pain, fever, swelling and substantial risk to the developing permanent teeth.

4. I understand that unforeseen conditions or circumstances may arise during the course of the above-described procedure or treatment. Hence, I consent to and authorize the performance of any care, procedure, or treatment not specified above that the dentist reasonably believes necessary or advisable as a result of these unforeseen events.

7. I understand that dental treatment for children includes efforts to guide their behavior by helping them to understand that treatment in terms appropriate for their age. To accomplish this, the patient's behavior will be guided using praise, explanation and demonstration of procedures and instruments, using variable voice tone and loudness.

8. I understand that should the child become uncooperative during dental procedures with movement of the head, arms, and/or legs, dental treatment cannot be safely provided. During such movements, it may be necessary to use physical restraints such as a papoose board. I authorize the use of physical restraints, when deemed necessary to avoid possible injury to the child.

9 **I understand that I may refuse any and all treatments**. I have crossed out and initialed anything that I would refuse to consent to.
